Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

CITY OF HERMOSA BEACH M E M O R A N D U M

DATE: OCTOBER 25, 2017
TO: HONORABLE MAYOR AND COUNCILMEMBERS
FROM: SERGIO GONZALEZ, CITY MANAGER
SUBJECT: 10/24/17 AGENDA – CITY MANAGER UPDATE

Status of Proposed Decomposed Granite Path on Greenbelt:

The proposed capital improvement program for fiscal year 2017-18 included \$280,000 for the installation of a decomposed granite path on the greenbelt. During the June 15, 2017 budget adoption meeting, the City Council decided not to move forward with the installation of the path and instead allocated 10% (\$28,000) to have staff perform appropriate analysis.

That analysis included a legal opinion from the City Attorney to determine if the proposed project complied with local land-use ordinances and previous voter initiatives. It also involved a formal analysis from a qualified consultant to determine if the existing greenbelt was in compliance with the Americans with Disability Act (ADA). Both the legal opinion and ADA evaluation were recently completed.

The matter will now be placed on a future agenda for City Council discussion and policy direction. If Council decides to move forward with the project, staff would commence a robust community engagement effort led by the Community Resources Department to provide residents an opportunity to give formal and informal input. Ultimately, a budget request for the project would be included in next year's budget.
